We invite you to a fun afternoon on September 16, 2017 in Oberwil-Lieli, where we will look back on the past SOI year and celebrate our international medals!

After a small team contest, where you will be able to discuss and solve the tasks from IOI together, there will be a barbecue in the evening.

Having fun solving the tasks and enjoying our time is the main goal. So, no matter if you come to chat or if you want to win as many chocolate bars as possible, come join us!

We want to prevent buying too much or too little meat, therefore please bring your own stuff to grill. You can of course also bring cheese, tofu or similar if you like. We will provide the other things: vegetables to grill, salad, chips, sweets and beverages.
